

AUTHORIZATION FORM

I grant permission to the Association of Public Health Laboratories, Inc. ("APHL") to publish any (1) photo, (2) video, audio or digital file, (3) story, narrative or writing, or (4) name, data or other material (collectively, the "Material") that I have taken or created for the purpose of explaining the role and value of public health laboratories, APHL's work or public health generally. I also grant permission to APHL to publish Material that APHL may take or create using my image, likeness, story, or name for the same purpose. I understand that the Material may be associated by implication with one or more public health issues, conditions, or situations.

I acknowledge that the Material may be published on any APHL communications platform including, but not limited to, APHL's print and digital publications, advertising, video, social media, blog or website. I further grant APHL a right to edit the Material at its discretion, and acknowledge that APHL may choose not to post the Material at this time but may do so later.

I hold all copyright interests in the Material I have submitted or otherwise delivered to APHL and I have not granted other licenses or permissions that would interfere with the permission I now grant to APHL. I agree to indemnify and hold harmless APHL, its assigns and any designee (including any agency, client, broadcaster, periodical or other publication) from any and all claims and demands arising out of or in connection with the use of this Material, including but not limited to any claims for defamation, invasion of privacy or infringement of copyright.

I am of legal age and have read the foregoing and fully understand the contents of this Authorization Form.
