

2024 LRN-B Technical Meeting

Photo & Video Contest

"Innovate to Elevate: Strengthening the LRN for the Future"

APHL is pleased to announce the photo and video contest for the 2024 LRN-B Technical Meeting. Showcase your public health laboratory and celebrate the hard work of laboratorians during the technical meeting in November!

Winners will be announced during the awards ceremony at the 2024 LRN-B Technical Meeting and top submissions will be displayed at the meeting and in other APHL publications, including social media platforms.

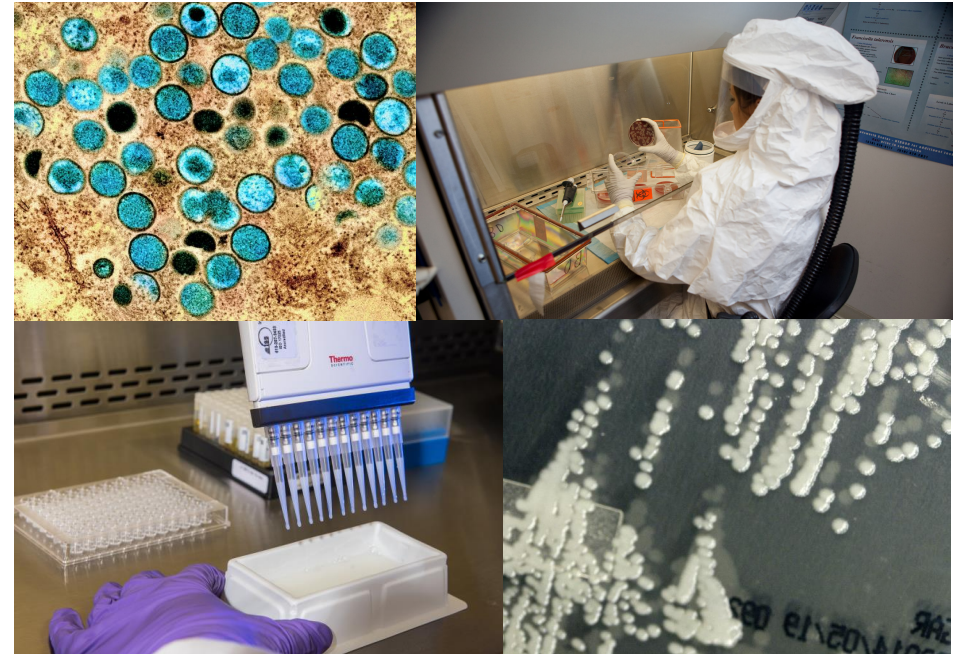

All photos and videos must be directly related to laboratory work and must be original images/videos. Submitters must have copyright or permission from copyright holders to submit images and/or videos. Multiple submissions are acceptable.

Submission Requirements:

- All entries should be submitted to emergency.preparedness@aphl.org.
- Photos must be high resolution (DPI of 300 or higher) and in .jpeg or .tiff format.
- Videos should have high quality sound and action images with a maximum of run time of three minutes.

Disclaimer

By entering into the contest, the submitter warrants that they hold all copyrights and permissions needed to submit the material and give APHL exclusive right and permission to use images and videos in any manner in any future APHL meetings, publications, promotions, or other work. Submission of photos constitutes an agreement by the registrant to APHL's use and distribution (both now and in the future) of the participants' submitted photo(s), without compensation, in publications, presentations, or any such activities.

Categories

- Humor (petri dish art, "mad scientist" photos)
- **Laboratory Staff in Action** (demonstrate a specific procedure or technique, images of day-to-day laboratory work)
- Samples (textbook quality images of samples and biological agents)
- **Training** (training exercises, set-ups, fake victim make-up)

Entries must be submitted by 11:59 pm on 9/30/24 to be considered.
